

Upcoming Event

September 4, 2019 - First Day of School

Welcome to Evergreen! This first day is for seventh graders only. We have a selection of eighth graders who will be introducing students to our school. You will not need supplies or a backpack. Just bring yourself (and a lunch unless you are getting one here) and prepare to meet new people and experience what it means to be a middle school student.

To enhance this event, bring a fantastic smile and flexible mindset!
