

Upcoming Event

September 17, 2019 - Back to School Night

Parents, welcome to Evergreen! This event is for parents to learn more about their role in supporting their student. Come meet the teachers and walk through their schedule. Check out your students organized locker... its only been 2 weeks right! Students are encouraged to attend and support their parents as they navigate between your classes. Parking is limited, so please carpool if possible. We will begin at 5:30 and should wrap up by 7:30. Come see the amazing changes that have been completed this summer.

Click here for a [video](#) for parents on ways to help support their students as we move into this school year.
